Re: Rent Relief Program Welcomed!

The Regina & District Chamber of Commerce expressed its appreciation on the release of the Canada Emergency Commercial Rent Assistance (CECRA) for small businesses. This program will lower rent by 75 per cent for small businesses that have been affected by COVID-19. “We are very happy to see this announcement which will help many small businesses during this time of extraordinary need.”

The Regina Chamber has consistently expressed concerns by members related to a lack of cashflow due to a lack of revenue and mounting expenses including rent or lease payments. “We are pleased that governments continue to listen to the needs of business, together we will make it through this and together we stand!”
