## From the Desk of the Chief Executive Officer

On Thursday night I had the opportunity to play a fundraiser with the *Garage Band* for the *Caring Place*. The gig was different in that the crowd at the event was small to ensure social distancing but large given the online presence.

Once again we were blown away by the generosity of the people and businesses of Regina. We raised close to \$140,000 to help those with mental health and addictions.

On behalf of the band, I want to take this opportunity to thank Regina for the outpouring of support. This is just another example of why *I Love Regina!*

Have a wonderful week!
