From the Desk of the Chief Executive Officer

Small Business Week is upon us and we would like to take this opportunity to thank small business owners, managers and employees for all you do in our community.

Small businesses provide employment, economic growth, significant philanthropic activity for numerous community endeavours including the arts, culture, sport and so much more.

Thank you for all you do!

Tonight, we will host two more provincial debates on AccessNow TV that will also be streamed on AccessNow's Facebook page. The first debate will begin at 6pm and will focus on Infrastructure. Five parties have agreed to be part in the debate – the Green, Buffalo and Liberal Parties as well as the NDP and SaskParty.

The second debate will take place at 8pm and will delve into Social Services and Indigenous Engagement. Once again, the debate will be televised on AccessNow TV and streamed on Facebook. The same five parties will participate in the debate.

Last, but certainly not least we will be hosting the Mayor's debate on November 2nd on AccessNow TV at 6pm.

Have a delightful week and please remain vigilant and stay safe, #togetherwestandsk.
