Tee it up at the RDCOC's Networking On The Green

Networking On The Green, the Regina & District Chamber of Commerce (RDCOC) annual golf tournament, is scheduled for Monday, June 17.

To be held at the Royal Regina Golf Club, Saskatchewan's first and oldest golf course, the event is a golden opportunity to connect with Regina business leaders while enjoying an afternoon on a beautiful golf course.

Registration for the event includes a BBQ lunch, an 18-hole round of golf, a power cart, bag drop service and a tournament dinner. In addition, the round includes prizes for longest drive, closest to the pin along with hole-in-one opportunities on two holes.

Earlybird registration for the event, which is presented by Scotiabank, is available until end of day of Friday, May 31.

SaskPower program assists commercial customers

SaskPower is currently offering assistance to commercial customers through the Commercial Energy Optimization Program (CEOP).

The program is open all commercial customers in Saskatchewan and provides easy access to technical, analytical, and financial support to develop and implement energy efficient projects.

The program offers commercial customers three potential services:

- **ENERGY SUPPORT SERVICES** – suited to small and medium commercial customers and provides free consulting support on identifying opportunities, business case development, energy management plans, training and much more.
- **ENERGY COACH SERVICES** – suited to large commercial customers and provides everything in the Energy Support Services, plus up to \$30,000 annually to hire or retain an energy champion to be coached by an energy professional.
- **CUSTOM INCENTIVE SERVICES** – suited to all commercial customers and provides financial incentives to implement or retrofit equipment to energy efficient choices. Incentives are based on actual savings achieved at \$0.13 / kWh for non-lighting projects and \$0.06 / kWh for lighting projects, up to 50% of project costs, up to \$100,000.

For more information on the Commercial Energy Optimization Program, please visit: [Commercial Energy Optimization Program \(saskpower.com\)](http://Commercial Energy Optimization Program (saskpower.com))
