

Advance polls are now live; Vote early, vote pro-business

BY KYLE ADDISON

Chair, Regina & District Chamber of Commerce Board of Directors

As early voting opens today, it's a crucial time to make your voice count. Voting is not just a civic duty but a chance to influence the direction of our province. We encourage our membership to vote for a party that provides strong pro-business policies and has a proven track record in supporting our business community.

This election is particularly important for those who care about the future of business, entrepreneurship, and economic growth in Saskatchewan. By voting, you have the power to shape policies that will strengthen our local economy and ensure a bright future for all residents.

Below are policy topics to consider when deciding who to vote for:

- Personal and business-related tax cuts;
- Job creation;
- Population growth;
- Safer communities.

When businesses succeed, everyone benefits. Strong business policies lead to higher investment, greater economic activity, and more employment opportunities.

The ripple effect of a healthy business environment extends far beyond the corporate sector — it impacts every family, every neighbourhood, and every community.

A strong economy generates the tax revenue needed to fund essential public services, such as education, healthcare, and infrastructure, which in turn improve the quality of life for all residents.

Business-friendly policies also attract investment from outside the province, drawing new companies, jobs, and industries to Saskatchewan. This not only diversifies our economy but also ensures its resilience during economic downturns.

By voting in favour of candidates who prioritize economic growth and business development, you are helping to create a thriving and sustainable economy for future generations.

At the Regina & District Chamber of Commerce, we are committed to advocating for policies that enhance the business environment in our province. We have been a trusted voice for local businesses, working to ensure that Saskatchewan remains a top destination

for entrepreneurs and business owners. We will continue to support initiatives that encourage economic growth, reduce barriers for businesses, and ensure that Saskatchewan is a place where businesses can thrive.

This election, your vote can make a difference. Let's make sure that Saskatchewan remains a province that is open for business. Let's vote for a party that will continue to support business in Saskatchewan.

Early Voting Information

Early voting polls are now open from October 22 to October 25, 9 a.m to 8 p.m. For details visit <https://www.elections.sk.ca/electoralevents/october-2024-provincial-election/>

Thank you for participating in the continued growth of our province.
