

 CHAMBER INSIGHT

Canadian Western Agribition set to open the event on Nov. 25

BY THE CANADIAN WESTERN AGRIBITION

"Those who know me, know that I am a fairly passionate individual, and nothing excites me more than promoting Agribition. With less than one week until we open the doors to the world, our team is ready, and we want to ensure you are too," says CWA CEO Shaun Kindopp.

Our partners at CN will help us kick off the week right by offering free admission all day on Monday, November 25th, along with our signature Burning of the Brand to officially open the show at 10 a.m. This will give patrons the chance to be among the first to explore the over 130 new exhibitors on our sold-out tradeshow floor!

For those looking for action-packed entertainment sure to keep you on the edge of your seat, Freestyle Bullfighting, presented by Brandt, will be returning to the Brandt Centre for

Tuesday night only! This never-before-seen event was a hit last year and promises to be a must-attend event again this year.

The excitement and intensity will carry over into Wednesday, as the Maple Leaf Circuit Finals Rodeo, presented by BHP, kicks off night one of four with free admission! Be sure to arrive early to secure your seat and watch the toughest athletes on the planet go head-to-head for over \$120,000 in prize money, along with the crowning of the next Miss Rodeo Agribition.

Agribition will come to a close on Saturday, November 30th, but not before we crown some champions and do a little dancing. Saturday afternoon, we will crown our champions and celebrate the 25th anniversary of our signature Beef Supreme, presented by CN. We will also find out who takes home the buckles on Championship Saturday, presented by the Coop Refinery, during the final night of the rodeo! The week wouldn't be complete without some post-rodeo two-stepping, as the second consecutive night's party on the dirt will bring the show to a close for another year.

We've been very fortunate to see continued growth since transitioning out of the pandemic, and this wouldn't be possible without the generous support of the community. We are incredibly proud and humbled by the support we have received. On behalf of Canadian Western Agribition, I want to say thank you to everyone. We cannot wait to celebrate with you all very soon.

Dust off those boots — it's Agribition time in Regina! Whether it's your 53rd time attending or your first, we truly appreciate your generous support!

EMC hosting Harnessing Automation webinar

As part of Saskatchewan's Manufacturing Week Celebrations, EMC is partnering with BDC and the Province of Saskatchewan's Ministry of Trade and Export Development's Investment Attraction Division to present a **FREE** webinar on "Harnessing Automation."

The virtual webinar will be held Tuesday, November 26th at 10:30 a.m.

In this webinar, which is open to the general public, you will learn how to effectively assess, plan and incorporate automation into manufacturing facilities. Areas covered will include:

EMC

- Walking through the critical components of how to undertake a project, by Phase of project.
- Looking at common pitfalls to avoid throughout the process.
- Reinforcing the need to evaluate concepts of lean manufacturing as a foundation to successful implementation.
- Examining how to pull together an ROI analysis with payback and so forth.

Presenters for the webinar are:

Vincent Bombardier, with over 20 years of experience in automation, instrumentation, and robotics, has been a trusted advisor to various industries throughout his career. His expertise lies in designing, manufacturing, and integrating automated cells for a wide range of businesses, including food processing, transportation equipment, machinery, and plastic manufacturing.

Manuel Gogolin is a seasoned professional with over 13 years of experience at BDC, specializing in operational efficiency and business transformation initiatives. Throughout his career, Manuel has collaborated with Canadian businesses across various sectors, helping them enhance their operational performance and achieve strategic growth.

YWCA presents free Lunch & Learn on Nov. 25

On Monday, November 25th, International Day for the Elimination of Violence Against Women, the YWCA invites you to be part of a crucial conversation that could shape the future of our community.

Join us for a free, virtual Lunch & Learn Panel featuring Christa Baron, Executive Director of SOFIA House, Stephanie Taylor, Executive Director of Regina Transition House, and PATHS's Director of Research, Crystal Giesbrecht, moderated by community champion, Kris Alvarez.

Why Attend?

Gain Local Insights:
Saskatchewan has the highest rates of intimate partner violence among all provinces in Canada, with rates nearly double the national average.

Statistics Canada reports that more than 1 in 3 women in the province will experience intimate partner violence in their lifetime. Our expert panel will share these statistics and personal stories to underscore the urgent need to address this critical issue.

Learn About Activism: Discover what the 16 Days of Activism campaign means to our community and why it's essential for all of us to get involved.

Practical Actions: Walk away with actionable steps you can take to make a difference in our community, which faces one of the highest rates of gender-based violence in the country. Let's come together to change these statistics.

Challenge Yourself: Be introduced to the 16 Days of Activism Challenge — a call to action for everyone to engage, educate, and inspire others in the fight against violence.

What You Will Learn:

- The current rates of violence against women in Saskatchewan and their implications.
- The role of community activism in combating gender-based violence.
- Inspiring insights from our panelists on why this issue is vital to address.
- How you can participate in the 16 Days of Actions to Eliminate Gender-Based Violence and make a tangible impact in your own backyard.

This webinar, which will run from 12:15 p.m. to 1 p.m., is **FREE** to attend, but registration is required. To register for the webinar, click [HERE](#).
